ANNUAL REPORT

OF THE

Commissioner of Banks

FOR THE

YEAR ENDING DECEMBER 31, 1934

PART IV

RELATING TO

CREDIT UNIONS

DEPARTMENT OF BANKING AND INSURANCE

The Commonwealth of Massachusetts

OFFICE OF THE COMMISSIONER OF BANKS,
STATE HOUSE, BOSTON, DECEMBER 15, 1934.

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court Assembled:

I have the honor to submit to the General Court, as required by General Laws, Chapter 167, section 9, the annual report of this department for the year 1934. The complete report covering the work of the department and containing statistics and statements of the institutions under its supervision will be submitted, as heretofore, at a later date.

The past year has witnessed a gratifying improvement in the general banking structure of this Commonwealth. Efforts of the past three years to stabilize banking conditions have borne fruit and the condition of the banks can be reported as generally good. Security prices have advanced reflecting an increase in the value of this asset held by banks. The percentage of foreclosures of real estate is declining, due in part to the operation of the Home Owners' Loan Corporation, while reports of the banks indicate the manner and extent to which the banks themselves are giving assistance to worthy borrowers on residential property. While our banks have sufficient cash to care for a normal demand for proper loans, such demand is lacking at the present time. Deposits in our banks have been maintained and confidence in our banks, which was never at as low an ebb as in some other parts of the country, has been restored.

During the last session of the General Court legislation was enacted providing for the establishment in the Mutual Central Fund, Inc., of a fund for the insurance of deposits in Savings banks known as the Deposit Insurance Fund (Chapter 43 of the Acts of 1934).

There was also enacted legislation providing for the establishment in the Co-operative Central Bank of a fund for the insurance of shares in Co-operative banks to be known as the Share Insurance Fund (Chapter 73 of the Acts of 1934).

During the year, in accordance with the provisions of Chapter 73 of the Acts of 1934, I requested the Co-operative Central Bank to take possession of five Co-operative banks for the purpose of liquidating them. These banks are being liquidated under rules and regulations established by the department and the shareholders are insured in the manner and to the extent provided by the aforementioned Chapter.

The laws relating to Trust companies were substantially amended by the enactment of Chapter 349 of the Acts of 1934. While sufficient time has not yet elapsed to make it possible to determine the effect of this Act, minor amendments thereto, for the purpose of clarification, will be necessary. In this connection, I recommended that Section 18 of Chapter 349 be amended to remedy certain conditions in regard to the capital stock, and I also recommend the enactment of a bill which is to be filed seeking an amendment to Section 24 of said Chapter relating to trust departments.

No other recommendation as to changes in statutes were made by me as I believe no further fundamental changes should be made in our banking laws until we have tested more fully those now in force.

While a cry continues for legislation to change the status of debtors to banks, even to a subordination of the interest of the depositors to those of the debtors, it should be borne in mind that legislation in favor of debtors, which endangers depositors, will nullify much of what has been done during the past three years to stabilize conditions in banks.
